You Could Save A Life With CPR

Could you save a life? You may be able, if you know CPR (cardiopulmonary resuscitation).

CPR is a basic life-saving technique used to revive a person whose heart has stopped beating, a condition called cardiac arrest. A combination of chest compression and mouth-to-mouth breathing is used to keep blood and oxygen flowing throughout the body until the victim can receive advanced cardiac life support.

Over one million Americans suffer heart attacks each year. Almost 650,000 of these die - more than half before reaching the hospital.

Thousands of lives could be saved each year if at least one person in every family knew CPR. The American Heart Association has developed a Basic Life Support program that teaches CPR to local police, fire, rescue services and other interested citizens.

Learning the CPR technique takes only a few hours, but knowing it could save a life. Anyone can learn CPR, but it must be learned and performed correctly.

CPR can be learned by beating could save a life, but you must act quickly and perform CPR properly.

Enroll in a CPR class at your local Heart Association. The American Heart Association is fighting for your life, but they need your help.

A 14 point third period put the icing on and the Raiderettes were never in trouble after that.

Laurie Morrison led the Queen Bees with 10 points.

In a tune up for the Seminole District Tournament, the Raiderettes hit 15 of 61 field goal attempts (25%) and 9 of 23 free throws (39%).

Raiderettes Finish Sixth In Seminole

The Raiderette basketball team finished sixth in the Seminole District regular season race and were scheduled to play Gretna in the first round of tournament play at Holy Cross School at 5 P.M. Tuesday, too late to have the results included in this week's paper.

The winner of this match will play the winner of the Amherst - Altavista contest in a game scheduled for 7 P.M. Friday at E. C. Glass High School.

Raiders 67 Bees 55

Playing one of their best games of the season, the Raiders scored 22 points in the first quarter and went on the defeat Seminole District opponent, Brookville Bees, 67 to 55.

The win assured the Raiders of a berth in the Seminole District Tournament starting February 20.

Terry Woods hit the nets for 19 points and Joe Fraley contributed 17 for the Raiders. Ricky Foster (14) and Billy Speight (11) were high for the Bees.

The win gave the Raiders a tie for seventh place, in the District standings, with Jefferson Forest, however the point spread in their two meeting during the season gave the edge to Forrest. Thus, the Raiders will be seeded eighth in the Seminole District tournament and will meet the regular season winner, Amherst, in the first round of tournament play.

Rustburg leads the district with a 16-0 record and will probably go into the District Tournament with out a loss.

Actually the game was close at the end of three periods as Vanessa Smith scored 4 points to lead a third quarter charge during which the Raiderettes scored 9 points and held Rustburg to 4, pulling the Appomattox team within three at 29 to 26, however Lewis and Betty Jackson found the range in the fourth period and Rustburg pulled away.

Susan Handy and Annette Carter led Appomattox with 11 points each.
